## THOUGHTS WORTH SHARING

### *A different perspective on things....*

**If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep.....you are richer than 75% of the world....**

**If you have money in the bank, in your wallet, and spare change in a dish someplace.....you are among the top 8% of the world's wealthy...**

**If you woke up this morning with more health than illness.....you are more blessed than the million who will not survive this week...**

**If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, or the pangs of starvation....you are ahead of 500 million people in the world....**

**If you attend a church meeting without fear of harassment, arrest, torture, or death....you are more blessed than three billion people in the world.....**

**If your parents are still alive and still married....you are very rare, even in Canada and the United States.**

**If you hold up your head with a smile on your face and are truly thankful....you are blessed because you can offer healing touch.....**

**If you can read this message, you just received a double blessing in that someone was thinking of you, and furthermore, you are more blessed than over two billion people in the world that cannot read at all....**

**Have a good day, count your blessings, and remember how blessed we all are.**
